Best Practices (18-19)

Best Practice 1

1.1. Title of the Practice: To ensure optimal usage, re-usage of paper.

1.2. Goal: All over the world efforts are being made to save paper, which in turn will help to preserve trees and reduce global warming.

1.3. Context: We must make rigorous efforts to save paper, preserve trees and contribute as best as we can towards the preservation of flora and fauna for sustainable development. For this purpose, strict action by the administration of the college is needed, to ensure that relevant practices are followed within the college campus and that all the stakeholders are made to participate in this initiative.

1.4. The Practice: In our college, we try to render our humble contribution toward this noble mission. Used papers (e.g., printouts, photocopies etc.) are compulsorily recycled. Study materials are uploaded on the college portal. This ensures that the paper is saved. Also, students can readily access the study materials as and when needed. Notices are mandatorily uploaded on the college website.

Best Practice 2

2.1 Title of the Practice: Career Development

2.2 Goal: Empowering students' employability skills and assisting them in identifying their career goals. Providing students with the skills they need to succeed in multiple interview stages. Facilitating placement through a program for industry contact and gathering data on the hiring procedure.

2.3 Context: Training to excel in a conducive learning atmosphere that provides employability quotient with quality job placement.

2.4 The Practice: This college placement partners include Tata Consultancy Services, Amazon, and ICICI Prudential Life Insurance Company Ltd. During the 2018-19 academic year, 14 students were placed at Amazon, 10 at Tata Consultancy Services, and 6 at ICICI Prudential Life Insurance Company Ltd. through placement programmes.
